June 8 th	Monday	Queen's Birthday Holiday
June 15 th	Monday	Governing Council
July 3 rd	Friday	Term ends – dismissal 2.15pm

VOLUNTEER WEEK

Our thanks go to Virg Reuther who comes into the school each week to listen to reading and has done so for many years. Virg has maintained her

strong connection to the school and enjoys seeing the students' reading progress.

SCHOOL NEWS

Last week the year 3 and 7 students undertook the NAPLAN assessments. Although it was three long days for them all, students showed focus and persistence in completing the tasks to the best of their ability. The results will be forwarded to parents when they come in, which is anticipated to be in September.

Unfortunately Ms. Inglis has not been well and is unable to come to school. She will not return for the remainder of the term. In the meantime we have welcomed and thank Mrs. Karen Spiers and Mrs Rachael Johnson for taking the class. As of next Tuesday, 26th May, Ms. Sunners will take the class for the remainder of the term. Ms. Inglis has provided the tasks to ensure continuity of learning for the students. In the meantime we wish Ms. Inglis a speedy recovery and look forward to her return when she is feeling better.

RESILIENCE SURVEY

Our site has opted for students from years 4-7 to complete a resilience survey. The survey will only take a short time and all answers are completely anonymous. Attached to the newsletter is some more information relating to young people and resilience. All school sites in the Southern Yorke Peninsula are undertaking the survey. The data will be collated and used to support our young people through a range of programs.

FAMILY SOCIAL NIGHT

Tuesday June 2nd is the night allocated to hold our family social night. These nights have been great fun in the past and we hope for a good attendance at this one. All families will be asked to help with the catering. Attached is a list of suggestions and a RSVP slip. Please return prior to the date so we can be sure of adequate catering.

2014 SCHOOL MAGAZINE

There are still some 2014 school magazines available from the front office. They are a worthwhile memento of that year. The cost is \$20.00.

NRM PROGRAM

The Upper Primary students have replanted the garden as part of their Natural Resource Management Young Environment Leaders project.

Their plan is to grow and harvest the vegetables, undertake some cooking as well as selling some of the produce to recoup some funds and replant with the next in season vegetables.

COMMUNITY NEWS

SCHOOL DENTAL SERVICE

All babies, children and young people under 18 years are welcome to attend the School Dental Service. **Dental care is FREE for most school-aged children and ALL preschool children.**

SA Dental Service participates in the *Child Dental Benefits Schedule*. A small fee may apply for children who are not eligible for the *Child Dental Benefits Schedule*.

To locate your local School Dental Clinic, or for more information about the *Child Dental Benefits Schedule*, please phone 8222 8222 or visit www.sadental.sa.gov.au
