NRM Presentation Day

I trust families had an enjoyable holiday with such lovely weather. The children certainly had plenty to share about their break.

This week we have welcomed three new families and five new students. They have settled in well and it's great to see so many children playing in the yard and having fun. So welcome to Shem Crawford, Alex and Lois Fademi, Corey and Cody Luckman. We wish them all the best with their move to Edithburgh Primary School and welcome the families into our school community.

STAFF

We also welcome back Georgie Inglis. Ms. Inglis has made a great recovery and has returned full of energy to complete term 4 at Edithburgh Primary School.

GOVERNING COUNCIL

The first meeting for Term 4 will be held at the school on Monday 19th October starting at 7pm. Agenda items have been called for

so please forward to Shona Emery (GC Secretary) for inclusion on the agenda.

NRM YEL GROUP

Next Wednesday the year 7 students will present our sustainability project to the other sites who participate in the Young Environmental Leaders forums. There is a huge amount of silver beet growing in the garden so if you would like some please ask and the students will pick a bunch for you.

UNIFORMS

We are very short of uniforms now. If you happen to have some second hand uniforms that are no longer required could you please pass them back to the school for recycling.

HEALTHY EATING

Last term the healthy Eating Guidelines were sent home. We urge parents to provide fruit for recess, as well as for

children to have a healthy breakfast before coming to school. To ensure the best opportunity for successful learning children need to be well nourished.

2016 BUDGET

Attached is a budget request form. If there are items you feel to school is in need of to support your child's learning please indicate this on the budget form and return to the school as soon as possible. The finance
