THANK YOU to all families for a wonderful presentation night on Monday. We all enjoyed a delicious meal, many thanks to the parents for providing such a wonderful array of dishes. The students performed their songs well, a great way to get into the Christmas spirit. Although sad to farewell those in year 6 and 7, the student speeches were most impressive. I thank them for the effort and thought they put into composing them. The whole evening was a fitting end to a great year. We look forward to such successes again in 2016.

REPORTS

Student reports were sent home to families on Tuesday afternoon. Please don't hesitate to contact us if you wish to discuss any aspect of

the report. It is important that the children also read their own reports to know about their successes and areas for improvement. Please also share any feedback you may have on the report format.

ARRANGEMENTS FOR FRIDAY

On Friday we will be taking the children to the local park. Pizzas and ice cream or ice blocks will be provided for lunch. The students have indicated the types of pizza they would like. We will walk to the park, which is covered by the local excursion note. This will be their final celebration for the year, as well is their reward for the reward tokens they have collected during the last 2 terms.

SCHOOL MAGAZINE

The school magazine is well underway. To ensure a quality product the magazine will not be available until the beginning of next year. We trust that the families who have ordered them will enjoy the recount of the year.

We trust all families will enjoy a safe and happy holiday. I thank everyone for their support throughout the year and look forward to working with those who will be returning in 2016. School resumes on February 1st, 2016.
